

\* Kazumi works as a figure model

The End

\* TL Note: Gabe topped with a deep-fried pork cutlet, egg, and vegetables

# Afterword

Thank you very much  
for purchasing  
"A Room For Two!"

This was my first  
collected volume,  
so I've been  
really nervous  
about it.

Nice to  
meet you!  
I'm Yukiko

I asked  
my follow-  
ers on  
Twitter  
for some  
questions  
to answer.

Yukiko asigukiko

Give me some questions

The cold doesn't  
affect me at all  
though, so I don't  
own a hototai

I'm melting

I struggle  
to make it  
through  
summer  
every year

I was born in  
Hokkaido, so  
I'm terrible  
with the heat

Hinako

In this manga,  
that'd be

this girl

and this girl

Nanoka

I like cute girls, the  
type who'd look  
great in pigtails and  
ribbons, who are  
more cunning than  
they look, and know  
how to use it to  
their advantage.

If they're actually  
secretly super  
powered on the  
inside, that's even  
better.

Q

What kind  
of girls do  
you like?

so that I could  
put out a doujinshi  
about them

I love drawing boys  
as well, of course

And thus I designed  
some characters  
(Sakuriko & Kosumi)  
who featured all the  
things I love

Waaaaahhhhhhh  
I wanna draw cute  
girls! I wanna draw  
curly hair and fluffy  
hair and braids and  
ribbons and ribbons  
waaaaahhhhhhh

I was doing a lot  
of illustration  
work at the  
time, but hadn't  
received many  
commissions to  
draw cute girls.

Q  
Why did  
you start  
drawing  
"A Room  
for Two"?

Seriously, please  
just watch the  
first 50 episodes  
I'm begging you!

and  
Akai-tsuki

They eventually  
watched it

Just watch the first  
three episodes!  
I'm begging you!

Like  
Love Live

I've been into  
various idol anime.  
Idols are amazing.

Q  
What sorts  
of things  
have you  
been into  
lately?

When I get writer's block  
doing the storyboards,  
I take my sketchbook  
and pen outside and go  
for a wander around  
the neighbourhood

Well, anyway.

I play games  
sometimes too

I'm basically an  
indoors type

I draw, watch  
anime, and read  
books... that  
kind of thing

Q  
I'm curious  
to know  
what you do  
outside of  
work and  
Twitter...

cover rough  
sketch

Special Thanks  
to the  
fans

Thanks for  
reading all  
the way until  
the end!  
I hope you  
enjoyed  
yourself  
even a little  
bit!
